

coalition for community cats

## Please support our spay and neuter of more than 1,400 cats each year!

On Sunday, October 8 the **Coalition For Community Cats (C4CC)** will hold its 13<sup>th</sup> annual fundraising walkathon – **“Put Your Best Paw Forward!”** – honoring the National Feral Cat Day. The walk includes a silent auction and raffle which will be held at the California Auto Museum starting at 10 a.m.

C4CC is an all volunteer organization that assists people who spay and neuter abandoned and feral cats. C4CC provides year-round vouchers and sponsors a monthly spay/neuter clinic to help reduce the cat overpopulation in our community. Our voucher program and spay/neuter clinics are supported by many volunteers, resulting in the spay/neutering of more than 1,400 cats each year! Since each feline can have many litters, these spays and neuters prevent tens of thousands of additional births.

We are hoping our local businesses will help us continue these vouchers and clinics by becoming donors and sponsors for our fundraiser. This event is designed to create greater awareness of the thousands of abandoned community cats in the greater Sacramento area and to promote more responsible pet ownership in our neighborhoods and communities.

We would greatly appreciate your participation in our fundraiser through the donation of items for the silent auction or raffle and/or financial sponsorship of the event. We would love to include you among our sponsors and friends! If your sponsorship is \$50 or more, be sure to indicate what name you would like on the website. Your letterhead or a business card works well. If your sponsorship is \$200 or more, please include camera-ready copy of your logo with your check.

Please make your check payable to C4CC and **mail by September 8<sup>th</sup>** to:

C4CC  
P.O. Box 162597  
Sacramento, CA 95816

Coalition for Community Cats is a tax-exempt 501(c)(3) organization (EIN 36-4585527). Contributions are deductible for income tax purposes. If you have any questions, please email [SacC4CC@yahoo.com](mailto:SacC4CC@yahoo.com) or call Kay at 916-396-6294.
